XXVIII MEETING OF NATIONAL COORDINATORS

December 1, 2015

Sheraton Hotel – Montevideo, Uruguay

“Punta Brava” Ball Room

INTRODUCTION

The Strategic Action Plan (PAE) for the 2012-2022 period was developed by COSIPLAN in fulfillment of the mandate given by the South American Presidents at the Fourth Ordinary Meeting of the Council of UNASUR Heads of State and Government, and on the basis of the UNASUR Constitutive Treaty and the COSIPLAN Statutes and Regulations.

The PAE is the result of a discussion process and consensuses reached by COSIPLAN during 2011. It was approved by the Ministers at the Second Ordinary Meeting of COSIPLAN (Brasilia, November 2011), and ratified by the Presidents at the Sixth Meeting of the UNASUR Heads of State and Government (Lima, November 2012).

For every objective specified in the PAE, a series of actions is instituted, considering that the PAE will be subject to review five years after its launch. The actions included in the PAE are executed through the annual Work Plans, which are approved by the COSIPLAN Ministers.

This meeting agenda is organized into blocks based on the PAE actions and objectives as prioritized by COSIPLAN to be implemented in the current year by IIRSA, the COSIPLAN Technical Forum.

OBJECTIVES OF THE MEETING

This meeting of National Coordinators has two purposes. First, to present and analyze the results of the activities carried out in 2015, for each objective and action set forth in the PAE, within the framework of IIRSA. Second, draft and agree upon the Work Plan 2016.

The Activity Report 2015 and the Work Plan 2016 will be submitted to the consideration of the COSIPLAN Ministers for their approval at the Sixth Ordinary Meeting (December 4, 2015, Montevideo).
