## IX Meeting of National Coordinators

### Agenda

Quito, Ecuador  
November 7, 8 & 9, 2006

### Background

IIRSA's Strategic Actions for 2006-2010 as well as the Action Plan for this year were approved (see the enclosed Annexes)

This Action Plan was organized around four Courses of Action:

- a) Implementation
- b) Stage II Planning
- c) Sectoral Processes
- d) Outreach Activities

In June, the progress made in the different topics involved was reviewed. In addition, concerning implementation aspects related to the Implementation Agenda based on Consensus, a SIGE Workshop was organized in August, while in October GTEs on Planning Methodology were held in Montevideo.

### Objectives

The purpose of the meeting is to analyze the results of the activities undertaken in 2006 and the proposals for 2007 that will be submitted for consideration during the next Meeting of the Executive Steering Committee's Ministers.
